

L.P. Adams Co., Inc. Boom Truck/Crane* Specifications

The L.P. Adams Co., Inc. boom truck/crane* is capable of lifting 1300 pounds at a horizontal distance of 68'. Fitted with a 20' flatbed, our boom truck/crane* has the capability of transporting your project (size restrictions may apply) to your job site for the setting process. The folding jib extension gives the boom extended reach with the flexibility of knuckling to change angles for those hard to reach locations. The boom truck/crane* is fully mobile on a Sterling truck chassis which allows for quick set up and tear down along with shorter portal to portal travel times. Our newest asset is fully equipped with a 20' spreader bar for larger picks. The L.P. Adams Co., Inc. Boom Truck/Crane* is available for hire on an hourly basis, with NO MINIMUM CHARGE. An hourly rate of \$110.00** per hour will be charged, with the purchase of product(s) from L.P. Adams Co., Inc. to be boomed/craned*. Our boom truck/crane* is also available for product(s) not purchased from L.P. Adams Co., Inc. at an hourly rate of \$150.00**. The expanded boom truck/crane* service is perfect for your large and small projects located in the heart of Berkshire County.
